

# DELL™ ULTRASHARP™ 2209WA

## 22-INCH WIDESCREEN

(22-INCH DIAGONAL VIEWABLE IMAGE SIZE)

## FLAT PANEL MONITOR

THIS 22" WIDESCREEN MONITOR OFFERS SUPERB SCREEN PERFORMANCE, WIDE VIEWING ANGLE AND CONNECTIVITY MAKING IT A PERFECT CHOICE FOR MEDIA, CREATIVES AND PROFESSIONALS.

Whether you are scanning architectural blueprints, analyzing copious amounts of financial data or designing a magazine, the Dell UltraSharp 2209WA display is a perfect canvas to help you do all that efficiently. The widescreen resolution presents plenty of space to work in and enables side-by-side display of more than one application onscreen. This helps reduce the need to scroll left/right and up/down to see the full picture.

Editing your latest video or moving graphics is convenient and easy with a fast response time of 6ms (typical), dynamic contrast ratio of 3000:1 (typical) and high luminance. VGA & DVI-D connectivity provides choice in how you want to hook up the monitor to your PC, and the HDCP compliant DVI-D enables viewing of copy-protected high-definition content.

The Premium Panel Guarantee covering all UltraSharp monitors assures users of a replacement UltraSharp monitor should even one bright defective pixel be found on the screen. Upgrade to the 2209WA and get the superb screen performance your business deserves.

**See More, Do More with Dell.**

### EXCELLENCE IN PERFORMANCE AND PRODUCTIVITY

- 24% more screen area<sup>2</sup> compared to a 19" non-widescreen monitor
- 1680 x 1050 resolution (widescreen) helps improve productivity by enabling multiple application viewing on one screen
- 3000:1 Dynamic contrast ratio (typical) and 83% (typical) color gamut<sup>1</sup> delivers vivid clarity, excellent detail and color
- High brightness of 300cd/m<sup>2</sup> (typical) provides superb performance when viewing motion video at high luminance
- 6ms (typical, grey to grey) fast response time helps prevent smearing and ghosting, great for video-editing

### DESIGNED FOR CONVENIENCE AND CONNECTIVITY

- Display head has VGA, DVI-D and 4 USB 2.0 ports for convenient plug-in of USB devices with 1 USB downlink to PC
- Height-adjustable stand also allows tilt, swivel and pivot adjustability which helps to enable maximum viewing
- Clean and Sleek New Design with easy display detachment from stand to support wall-mount requirements (wall-mount equipment sold separately)

### REMOTE MANAGEMENT ENABLED WHEN CONNECTED TO DELL CLIENT MANAGER

- Supports remote asset management when used with Dell PCs in a network managed by Dell Client Manager.
- Enables remote access to EDID information like model name, serial number, year of manufacture, status, etc., especially useful for efficient asset-tracking & monitoring across the network
- Enables remote control of brightness, contrast, power-off and restoring of various factory default settings

## DESIGNED FOR COMFORT AND EASE-OF-USE

- Comprehensive screen adjustability options:

1) Height Adjustment 2) Swivel (45° Left and Right)

3) Tilt (4° Forward and 21° Backwards) 4) Pivot

- 4 USB 2.0 high speed ports for easy connection of peripheral devices such as cameras, USB keys or mouse.

## WHY DELL MONITORS?

### TECHNOLOGY LEADERSHIP

Dell constantly strives to provide the greatest and latest in display innovations, bringing relevant, customer-driven technology to you for a superb viewing experience.

### UNCOMPROMISING VALUE

Dell monitors are designed to exacting quality standards and manufactured by some of the world's foremost suppliers, consistently delivering outstanding performance, quality and reliability.

### EXCELLENT RELIABILITY, DURABILITY

Dell monitors undergo exhaustive testing for performance, reliability, durability and compatibility with Dell PC systems, and are tested well past mainstream tolerance limits to ensure they can withstand a wide range of real-world conditions.

### WORLD CLASS SERVICE & SUPPORT

Enjoy the exceptional service and support that you have come to expect from the Dell brand. We provide accountability, a single point of contact and the peace of mind of purchasing from a stable and reliable technology partner.

## HALOGEN-REDUCED

As part of Dell's continuous efforts to eliminate the use of environmentally sensitive materials in our products, the Halogen Reduced Dell UltraSharp 2209WA flat panel monitor offers "halogen-free" chassis plastics as well as multiples printed circuit boards containing "halogen-free" laminates (per JPCA ES-01-1999).

### RECYCLING

Dell recommends that customers dispose of their used computer hardware, including monitors, in an environmentally sound manner. Potential methods include reuse of parts or whole products and recycling of product, components and/or materials. For more information, please visit [http://dell.com/recycling\\_programs](http://dell.com/recycling_programs) and [www.dell.com/environment](http://www.dell.com/environment)
